State Senate Honor for "Mudgie"

MAURICE "MUDGIE" TAVARES
RECOGNIZED FOR HIS WORK WITH CHILDREN
Story and Photos by Virginia Arral

Maurice Tavares of 12 Baptist Street, better known to his family and friends as "Mudgie", was honored last Tuesday with a state Senate Resolution presented by Senator William Q. "Biff" MacLean in the Town Hall Conference Room which was filled to overflowing with his well-wishers.

The "extremely high honor" was given to Mudgie in recognition of being a special person whose life centers around doing outstanding work with area youngsters and their athletic programs. And, as MacLean said, "In my six years as a Senator, this is the first time such an award has been given to anyone by the Senate".

The resolution read, in part, "this outstanding American, who has given money, equipment and supplies to athletes and teams alike, takes care of the flag at Shipyard Park, works with the Little League Baseball and Basketball Programs, oversees the summer wharf dances, and, eleven years ago, was one of the originators of the Town's Track Club, and

Maurice has throughout his life exemplified the highest ideals in all his community activities and has contributed immeasurably to the growth, character and intellectual capacity of the thousands of children who have been the privileged recipients of his knowledge, kindness and understanding, and

SENATOR WILLIAM Q. MacLEAN READS RESOLUTION HONORING MAURICE TAVARES (AT RIGHT). SELECTMEN CHAIRMAN JOHN N. DeCOSTA IS AT LEFT.

When he finds youngsters who cannot afford shoes, sneakers, or some equipment, "Mudgie" goes out and purchases it, or if a child cannot afford to attend a game, he will pay for it.

The Massachusetts Senate extends its heartiest congratulations and best wishes for many years of good health and success to Mudgie" -- the Resolution is signed by William Bulger, President of the Senate, dated January 16, 1986.

In introducing Senator MacLean, Selectmen Chairman John N. DeCosta said the presentation was to be given to a very special person who does tremendous acts for the

town and has touched the lives of adults and especially the children. Selectmen James F. Huntoon and Frank M. Suzan were present to extend their congratulations to Mudgie.

Mudgie, who will this June be completing 25 years as head custodian at Center School, was described by Center School Principal Katherine Kozicki as a "gentleman - a quiet person who listens to the children. And the children remember him many years after they have left the school for his many kindnesses to them."

A background of "Mudgie's" activities, as prepared by Mrs. Kozicki, explains that, while technically employed in Center School as head custodian, he functions within this school and within the ORR School District

high school and beyond.

Mudgie's working day is a 24-hour working day of his own fashioning. Among his activities, in addition to those quoted in the Senate Resolution, are his planning, executing and supervising teenage dances on the wharf during the summer months, his sponsoring of the Summer Women's Basketball League. Mrs. Kozicki added a personal comment that, "the example of gentlemanly behavior shown by this man at all times and in all circumstances is the most praiseworthy quality to be recognized".

. At the reception following the presentation Mudgie was asked for a comment on his being honored, but he shook his head, "no", as he accepted congratulations from his many friends and his family. A friend standing nearby said, as he spread his arms, "All this shows how much everyone thinks of Mudgie". The first person Mudgie shared his honor with was his mother, Mrs. Minnie Fermino, who beamed with pride at her son.

Joao Rodrigues of the Old Rochester Regional High School Athletic Department had suggested the presentation be made at the Hopkinton and ORR Basketball game being held the same night (February 25); however, the Senator and Selectmen had previously committed the town hall date.

The Senator's office released the comment that MacLean first became aware of Mudgie and his accomplishments when, over the years, he sought help for the youngsters and their sports programs, and felt it was time to acknowledge such a fine man with a more meaningful award, such as a Senate Resolution.

of the Finance Committee, chairman; Bernard F. Talty of the Housing Authority, Police Lt. James A. Santos, Building Inspector David Crook, and Robert Coquillette, interested citizen.

In the interim report the committee identified four major areas where the present facility is clearly inadequate for the tasks which the police department must perform: 1. Access and parking. 2. Communications Control Center. 3. Prisoner detention and processing. 4. Personnel amenities. The report from the state also concluded that as time passes there will be increasing pressure from the state to meet certain mandated standards for prisoner detention and for the ambulance.

The committee presented five possible actions the town could take: namely, 1. Do nothing and suffer along with the present facility until some other opportunity appears when the town is constructing some other complex; 2. Expand the present police facility into part of the first floor of the present Town Hall by moving the Assessors' Office, the Building Inspector and possibly the Town Clerk to the second floor and otherwise reorganizing the space utilization including a major rearrangement and refurbishment of the police station itself. 3. Take by eminent domain, or otherwise, a portion of the lot fronting on Baptist Street and do a partial addition involving

the ambulance garage and prisoner detention facilities, plus reorganization of space in the present station. 4. Take by eminent domain the entire piece of property on the lot including the building which could then be utilized to house certain of the town offices, thus making room for expansion of the police department into the present Town Hall. 5. Construct a new police facility on land already owned by the town (lot 1 between County Road and Church Street) at an estimated cost for the project of roughly one million dollars subject to further study and definition. This facility could either be built by the town and financed in part by sale of excess land in the parcel or it could be constructed privately on a "build-to-suit" basis with the town entering into a long-term lease.

With the options available, the committee recommended the Selectmen approach the Finance Committee to have an article placed in this year's annual town meeting warrant seeking to authorize the continuation of the study committee and to request the sum of $7,500. to get started on preliminary design plans. Selectmen agreed to go along with this suggestion.

The estimated sum of $3,000 to $4,000 for architect fees was suggested. Coquillette noted that as a practical matter, the town really should go to a qualified architect, one who specializes in police stations as there are so many technical aspects, such as cell sizes to consider. Selectman Frank Suzan spoke of an employee of Cape Cod Cabinet who could do a preliminary rough drawing of plans for an estimated $250.

Selectman James Huntoon suggested perhaps the committee should show slides of the inside of the police station to show the cramped quarters in which they have to work. Lt. Santos responded with a quip, saying, "We could have an open house, line the people up and let them see for themselves what it looks like inside."

In other business, Selectmen:

MET WITH MEMBERS of the Personnel Board and Finance Committee to discuss the budgeting for town meeting purposes the full-time positions of building inspector and town accountant assistant. The committees agreed to consider the action to take and inform Selectmen before town meeting.

As a follow-up to a previous joint meeting on wages, Selectman Huntoon said the Selectmen are seeking the two committees' support at town meeting for the employee status changes.

Basically, Huntoon said the building inspector has been working fulltime for a six month period, and it has been working out successfully. It hasn't really cost the town as the inspection rates have been increased to cover the difference, temporarily. With more hours, the building inspector has been able to check on things

previously done by town counsel and this has saved money. Also, Inspector David Crook has been available for contractors and the public seeking building inspection appointments during the day, rather than being rushed on Tuesday nights.

The assistant to the town accountant is presently working part-time and has allowed Betty Sears, accountant, to catch up on a backlog of reports that previously she was working overtime hours to complete. "With a $4. million budget, the town needs continuity in that office and someone with experience to step in if the need arises," said Huntoon.

READ A REPORT from John C. Bowman, town mechanic, on the condition of the 1961 van that Paul Kelley, fire alarm superintendent, has requested the town purchase from the town of Whitman at a cost of $500.

Bowman said, "The vehicle is usable in its present state; however, it is homely and I feel it is a piece of junk. The boom, bucket and hydraulic system are all in good shape." Despite the vehicle condition, Bowman felt the bucket and hydraulic system on the vehicle "is a bargain at $500. and would be worth buying just for the system".

Bowman commented the vehicle needs tires, a lot of body work, proper lighting and engine work as it's outdated at 25 years old. "I did drive it and it runs but I wouldn't go out of town with it." Even if the present 1972 van was sold and the money (approximately $1,500) put towards repairs of the 1961 vehicle, an additional $1,000 would easily be spent on body work alone, not including the engine, Bowman added.

Selectmen agreed to refer the matter to the Fire Department for its recommendation.

RECEIVED WORD from the State Division of Marine Fisheries that "the waters and flats and all tributaries of Hillers Cove, northwest of a line drawn northeast from the wooden walkway at 3 Hollywood Road to the stone pier at the east property line of 30 Shore Road will be Closed to the taking of shellfish until further notice".

MET WITH John W. Maillet of 12 North Road, Harbor Beach to discuss his complaint concerning cedar trees on town property that are blocking the view when exiting Harbor Beach onto Aucoot Road. Maillet was concerned this condition could cause an accident and mentioned his concerns to Peter P. Briggs, his insurance agent. Briggs suggested he either get a petition from the neighbors or have the Harbor Beach Association request the removal. Briggs also suggested the Selectmen have Police Safety Officer R. Stanley Ennis check the conditions.

PORTMEIRION

A report from Officer Ennis noted, "I feel very strongly about having the condition corrected before someone is badly injured. The cedar trees that are located to the right coming out of North Road need to be removed so they do not block the view of traffic entering Aucoot Road."

Ennis also recommended the mail boxes of North Road residents on Aucoot Road be relocated so that they do not interfere with the vision of drivers entering Aucoot Road from North Road.

Maillet informed Selectmen he spoke to Highway Surveyor Manuel R. Nunes who he said responded, "the trees are pretty", and he refused to cut them down. Maillet said he also asked Mr. Walter Hebert of 1 North Road, whose home abuts the trees, to have them relocated, but he refused.

The Board agreed, considering the Safety Officer's report, that they have no alternative but to direct Wesley Bowman tree warden, to cut the trees down. It was noted a check will first be made to determine if the trees are indeed on town property. A copy of the directive will be sent to Nunes.

on Zoning and Subdivision Control Laws regarding the separation of lots at 19 and 21 Noyes Avenue into two lots each containing one structure.

The letter noted the matter has been referred to Town Counsel and the owners are strongly urged not to enter into any purchase and sales agreements until counsel renders an opinion. The possible violations were brought to the building inspector's attention by Wallace and Judy Underwood of 6 Cecelia Avenue, Shell Beach.

WILL TAKE UNDER ADVISEMENT a request from Mr. and Mrs. Purnell H. Guard of 22 Park Street, who wish to have the town grant them all rights necessary to the use of that portion of Railroad Avenue (the former New York, New Haven and Hartford Railroad roadbed) abutting their property on the west side, for its entire length. Mr. and Mrs. Guard intend to subdivide their land to create a lot which would use that portion of the way for access and frontage according to the town Zoning By-Law.

Pesticide Spraying in Marion

reported by SUZANNE BYRON

MARION RESIDENTS ATTEND SELECTMEN'S MEETING IN REGARD TO SPRAYING

The prospect of mass aerial and ground spraying of insecticides in Marion brought a large group of residents to last week's Selectmen's meeting. Recent newspaper articles had said that all residents who didn't want their property to be sprayed would have to send letters to state and town officials and outline their property with paper plates, orange surveying tape, or orange helium-filled balloons.

Robert Gardner, spokesman for the group, presented a list of illnesses suffered by people and deaths of animals that were the result of past spraying in town. He said that he had been told by the Assistant Superintendent of the Plymouth County Mosquito Control that spraying is not essential and that it's up to the town itself whether it is sprayed or not. "By what authority must we be sprayed?" Gardner asked the Selectmen.

Selectman Betsy Parks explained that the town hasn't sprayed for fifteen years. "All spraying is done by Plymouth County per request of the town," she said. Areas that are usually sprayed are the Washburn ballfield, the land behind Sippican School, and "other areas where children play after dusk". Others areas are sprayed when the town receives complaints of mosquito infestation.

"All spraying is done between one and four in the morning under what they consider ideal conditions, a clear night with no wind," Mrs. Parks explained. Electric spraying trucks are used to maintain silence for sleeping residents.

1 FRESH SEAFOOD has no chemical preservatives, flavorings of additives. In fact, it is one of the few natural foods on the market today; it is naturally high in protein and low in fats.

2 Seafood contains more polyunsaturated fats than saturated fats. There is evidence that polyunsaturated fats found in fish do help to reduce cholesterol levels.

3 Refrigerate fish as close to 31 degrees as possible. Studies have shown that fish will stay fresh twice as long at 31 degrees as at 37 degrees.

sprayed is maintained in Town Hall. This list of exclusions is consulted whenever insecticide treatment is planned.

Gardner suggested that the system be changed, that those who want to be sprayed be required to write to their state and town officials.

Virginia Petzold asked, "Why isn't this in the hands of the Conservation Commission?" She said the Conservation Commission should be the ones to decide what and where should be sprayed. "I don't like the idea of trucks sweeping through town at 4:00 a.m. while we're sleeping," she said.

Olive Harris had talked to officials of the Massachusetts Audubon Society who called malathion "a terrible toxin" which produces changes in the nervous system in people, flu-like symptoms, and memory problems in people who work with the insecticide. Ms. Harris objected strongly to spraying in school areas because malathion is particularly harmful to children and the elderly.

Albert Bigelow told the meeting how the town's spraying of malathion in 1976 caused the destruction of his wife Sylvia's nerve roots. "This is a very grave and dangerous situation", he said. "The Board of Health should have extraordinary power to stop this. It is terrible that someone can spray for a pool party. The Board of Health should have to pass on private

spraying also," he said.

Dr. John Conway told how his youngest daughter suffered swollen joints for six days after one town spraying. "How are we informed of spraying?" he asked. "Sending letters hasn't worked for us on several occasions. Who's going to get in touch with people who have severe medical problems?"

Selectman Joseph Zora said that he objected to spraying because he saw fifteen robins die on his front lawn after one spraying. "As a result of this meeting we will bring it up at Town Meeting. We should put an article on the warrant," he said.

Selectman Richard Lagreze offered to set up a meeting with Daniel Dailey, a Carver Selectman and also an official with the Plymouth County Mosquito Control Project, to consider safe and acceptable means of handling insect problems.

Executive Secretary Ray Pickles warned the meeting that if the State Department of Public Health sees a threat to agriculture or to health, they are going to spray even if the town has a by-law prohibiting it. He suggested that concerned residents write to Pesticide Bureau Chief Jeffrey L. Carlson, 100 Cambridge Street, Leverett Saltonstall Building, Boston, MA. 02202. "They're the ones who decide what pesticides are used", he said.

Rochester will present the Second Annual Arts fund-raiser in the ORRHS auditorium. Profits from this fund-raiser will help support in-school enrichment programs for the 1986-1987 school year. This year our performer will be Mr. Randy Judkins.

Mr. Judkins is one of New England's most sought after solo performers. A Maine native, he began his career in 1975 as "Jud the Jester". He currently tours New England, the United States, Canada and Europe, presenting over 180 performances a year.

Mr. Judkins' visual comedic repertoire combines characters with mime, juggling, magic, reader's theatre and unicycling. He performs in the tradition of the new vaudeville and involves spectators in routines that have them clamoring for more. His infectious spirit and comic timing endear him to audiences in the concert hall, gymnasium or out-of-doors.

Whether balancing a top hat on his nose, juggling five balls or dashing across the stage on his unicycle, Randy Judkins makes the ridiculously difficult look ridiculously simple. It is a not-to-be missed performance by one of the best all-around entertainers.

Tickets are $3.00 each and are available at The Toy Box in the Ropewalk, Route 6,

ORR Winter Track Champions

The Old Rochester Regional Girls' Winter Track Team captured the Southeastern Massachusetts Championship at Greater New Bedford Regional Voke-Tech High School.

Out of a field of over 20 schools, the ORR Girls brought home the Championship Trophy.

Leading the scoring for ORR was Meri Mattson who placed in both the High Jump and the Hurdles. Meri was able to capture first place by jumping 5'3" and running the Hurdles in 7.0 seconds.

Her teammate Kris Schatzel won the 1000 and has run the best time in southeastern

Margaret Flynn placed in the 50 yard dash and has gone on to compete at the state level.

April Bradshaw scored in the 300 yards and also followed her teammate to go on to run in the State Meet.

Two girls were able to place in the 600. They were newcomer to track, Buffy Kelly, and veteran runner Claudine Bolduc.

The girls also combined to run and score in the Mile Relay.

Coaches Rodrigues, Vaughan and Alves felt the girls have been an extremely hard working group who were willing to do that little bit extra to be successful. Many days when the weather was not good, the girls continued to work. They had certain goals in mind, and worked toward them.

The towns of Marion, Mattapoisett and Rochester should feel extremely proud of these fine young ladies and the way they represented us.

POT LUCK SUPPER

The Marion Mothers' Club will hold a Pot Luck Supper for their monthly meeting on Wednesday, March 12th, at 7:00 p.m. at the home of Jeanne Lake, 9 Jobs Cove Road, Marion. Each member is asked to bring their own place setting, main dish, salad or dessert. Activities planned for the evening include preparation for Easter favors to be donated to Tobey Hospital for patients' trays. A good excuse to be "out with the girls" and get away from the winter doldrums, and as always a great meal, please by all means bring a guest. The Mothers' Club is always open to new membership, and the potluck supper is a good time to get acquainted. For further information please call 748-2660.

has successfully provided the girls a broad range of activities which address both their current interest and their future roles as women. Through activities that stimulate self-discovery, they are introduced to the excitement in the worlds of science, the arts, the out-of-doors, and people. Girls grow in skills and in self-confidence. They have fun, they make new friends, and through meaningful community service, they acquire understanding about themselves and others. So, when one of the many Girl Scouts in the towns of Rochester, Marion or Mattapoisett asks you to buy Girl Scout cookies between March 7th and 16th, buy several boxes. Your purchase will be a wonderful gift to the girls, and it will help them to "Experience the Magic" of the Girl Scout program.

Anyone wishing to place an order and has not yet been contacted may do so by calling tri-town co-cookie chairpersons, Dot at 763-8376 or Louise at 295-7086.

Letter to Parents

Isn't it a dangerous game to allow your children to go to night events at ORR schools without a pre-arranged ride home? When you say, "You can go if you can get a ride", you are throwing your responsibilities on other children or other parents.

I, for one, do not like the idea of my child, who has car from necessity, loading child, who has a car from necessity, loading the car with students who have no way to several kids to ask me for rides so that my car is overcrowded at night. But what is one to do when there are a half dozen kids begging for a ride, their reason, "My parents aren't home". A father made two trips around town and back to the high school one night because he was so upset to see 15 year old girls waiting in the rain.

There are parents who never drive their own kids or anyone else's if they can avoid it. One famous excuse is, "Our cars are too small."

One wonders how such parents would feel

Tri-County Symphonic Band

FINAL CONCERT OF 1985-86 SEASON

Come discover the Tri-County Symphonic Band as they present their final concert of the 1985-1986 season Sunday, March 9th, at the Zeiterion Theatre.

From the time relatives gathered with instruments to entertain friends, local musicians formed community orchestras and town bands played marches on the street and overtures from the gazebo, audiences have enjoyed the sonorous arrangements of the classic band literature. The Tri-County Symphonic Band brings back that family tradition by offering some of the most outstanding concert band literature, including "Centennial Suite" by Morissey, Smetana's "The Moldau", Handel's "Royal Fireworks Suite", and a Duke Ellington medley. Also featured will be a collection of classic bugle calls in "Ceremony of Flourishes", "Dubinushka" by Rimsk-Korsakov, and selections from "The King and I".

The Symphonic Band, under the direction of John Pandolfi, has been delighting audiences for twenty-four years. Formerly located at Old Rochester Regional High School in Mattapoisett, the group is comprised of both professionals and amateurs from the New Bedford area and surrounding communities. Described by critics as "one of the finest musical treasures in this area", the band looks forward to many more successful seasons at its new home.

For an exciting afternoon a sure bet is the Tri-County Symphonic Band's final concert of the season Sunday, March 9th, at 3:00 p.m. Tickets are available at Symphony Music Shop and at the door. Call 996-3301 or 758-4541 for further details.

SECOND IN SERIES OF CONCERTS
BY SIPPICAN CHAMBER ORCHESTRA

The Marion Art Center will sponsor the second in a series of concerts by the Sippican Chamber Orchestra on Sunday, March 16th, at 7:00 p.m. The program is entitled "Mixed Doubles" and will be held in St. Gabriel's Church Hall, Marion, due to the size of some of the "double" instruments involved.

The orchestra will be conducted by Ann Danis and will feature three different instrumental double concertos performed by well-known area musicians. The first will be a Johann Sebastian Bach concerto for two harpsichords. Judith Dautel, music director of the First Unitarian Church and director of the Sippican Choral Society, and Glenn Guittari, director of the Fall River Diocesan Choir, will be the harpsichord performers.

Secondly, Ann Danis will conduct and perform along with John Scanlon, the Georg P. Telemann concerto for two violas. The third performance will be Antonia Vivaldi's Concerto in G-Minor for two cellos. Phoebe

SCHOOLS PLANNING ACTIVITIES

During the month of March hundreds of schools and communities across the country will join together to celebrate "Music in Our Schools Month". The purpose of this project is to focus national attention on the value of school music and to make parents and citizens aware that music is an active part of the school curriculum. The

theme of this year's celebration is "Music Brings Us Together". To help celebrate our togetherness through music we are planning several activities.

On Monday, March 10th, at 1:45 p.m., the Old Hammondtown School Chorus and Select Band will be going to Center School to participate in an exchange concert with the third grade chorus. Then, on Wednesday, March 12th, at 1:45 p.m., the Center School Chorus will perform at Old Hammondtown. Both Center School and Old Hammondtown School music students will also be performing at the F.O.R.M. (Friends of Old Rochester Music) Concert, which is a scholarship fund-raiser on Wednesday, March 12th, at Old Rochester Regional High School.

During the week of March 24th, both Old Hammondtown School and Center School invite parents to attend any of their children's

musical classes and activities.

At Center School during the week of March 17th, the children who take instrument lessons will be performing for their classmates during lunch time. On Wednesday, March 26th, the second grade will be presenting the musical "Bambi".

At Old Hammondtown School on Tuesday, March 18th, Mr. Andrew Santos will meet with the students to give a demonstration and performance focusing on Cape Verdean folk music and instruments. On Monday, March 31st, Mrs. Ruth Sundquist's fifth grade, assisted by Mrs. Claire Bessette, is organizing a variety of musical talents from throughout the school to be performed during the lunch time.

Music Month certainly will be a busy time in Mattapoisett Schools. Fortunately for us, assemblies and field trips, often sponsored by our P.T.C. (Parent-Teachers' Club), are enjoyed throughout the school year as enrichment to our music classes.

Music is indeed an important part of the curriculum in Mattapoisett because of the encouragement and support of parents, teachers, the Mattapoisett School Committee and the administrators.

Here's how Chiropractic treats
Arthritis

Arthritis is an acute or chronic inflammation of one or more of the joints of the body. The inflammation may involve some or all of the structures entering in the formation of the joint—the bones, the cartilage, the membranes, muscles, etc.

Chiropractic approaches arthritis from a cause standpoint. It is directed to the restoration of normal nerve function, allowing the natural healing processes of the body to operate, by means of spinal adjustments.

Your doctor of chiropractic has the training and experience to treat arthritis and relieve the discomforts of the condition. Under chiropractic care, many conditions can be relieved.

STUDENTS ATTEND MARINE STUDIES SYMPOSIUM

Recently five students from Old Colony Regional Vocational Technical High School, along with their Biology Instructor Mr. Thomas Hesketh, attended a day-long Marine Studies Symposium at Framingham State College.

The five students - Ronald Cameron, Jason Desroches, Pamela Hallett, Chris Perry, and Frank Sanderson - each attended presentations on various aspects of marine biology. Some of the students participated in a workshop entitled "Whales of New England". The workshop analyzed the feeding habits of whale species indigenous to the waters off of the New England shores.

Also attended was a workshop on "Marine Mammal Strandings" which reviewed various hypothesis as to the mystery of marine animals beaching themselves. The students also participated in a session entitled "Comets, Asteroids, and the Evolution of Life on the Planet Earth". Dr. John Murray reviewed the theory of mass extinction and its possible result from meteorite collisions. The workshop included demonstrations within the school's planetarium.

All of the students concluded the Symposium by participating in the dissection of a hammerhead shark. The students studied the anatomical structures of this unique

Parents Advisory Council

"PARENT INVOLVEMENT IS A NECESSITY - NOT A FRILL"

On Thursday, February 13th, the Parent Advisory Council (PAC) of our Chapter I Program (Project Support) met to hear Carol Weiner, Parent Education Specialist for the New Bedford Chapter 1 Project speak on "How Parents Can Work with Children at Home". Sippican PAC Chairperson Terry Walsh was there along with interested staff and parents from Marion, Mattapoisett and Rochester.

Carol and New Bedford PAC Chairperson Rosemarie Stalmeier talked about the working relationship between home and school essential for a child's success. In New Bedford, the "Parent Office" holds several meetings monthly providing constant new ideas and information for parents.

In Marion, our program is much smaller, but we have the same need for communication and interaction. We have several activities and events planned to stimulate the home-school relationship in our Chapter 1 program. Our next PAC meeting, March 11th, is a special workshop for parents and children. Also, sometime in March, we will start our as yet unnamed Reading Club with exciting prizes. Spring vacation brings our new "Check Out Our Games" program. In May, we have a guest speaker coming to talk to

OLD ROCHESTER SENIOR STUDIES AT PHILLIPS ACADEMY

Old Rochester Regional High School senior Sarah Kennedy is currently enrolled in the Short Term Institute in Visual Studies at Phillips Academy in Andover, Massachusetts. Miss Kennedy is the daughter of Mrs. Veronica Kennedy of Marion and late Robert A. Kennedy.

The Short Term Institute offers an intensive nine-week program in Visual Studies to high school students and teachers. Admission to the program is highly competitive and students must be well recommended by their sending school. The applicant must present a portfolio for review to Phillips Academy. During the nine-week program, participants study a program in the basic disciplines useful in design fields. In addition each student enrolls in two art courses from the Phillips curriculum. Students are also expected to keep up with the academic work at their home school. Field trips to area museums are an integral part of the program.

As a student at Old Rochester, Miss Kennedy has participated in A.F.S., Student Government, Art Department Fashion Show, "Dollars

4H Horse Club

The 1986 show season is right around the corner. The Tails and Trails 4-H Horse Club would like to congratulate two of our leaders, Carol Knight and Mary-Ellen Bernier, for winning their year-end championships at the South Shore Horsemen's Council Banquet on February 1st at Christo's II in Brockton.

Mrs. Knight and her family won Champion Horse Colt with their Morgan, Crescent Hill Daniel. They also won third place in that division with Crescent Hill Tempo.

Mrs. Bernier won Champion Pony in Hand with her Welsh/Arab, Shadow Dancer, who was undefeated for the 1985 show season.

Beautiful pastel portraits of the champion horses were awarded to Mrs. Knight and Mrs. Bernier along with championship ribbons at the banquet.

On January 18th a County Written Horse Bowl Test was given, and three club members qualified for the County Horse Bowl Panel contest. Congratulations to Bonnie Lewis and Kristen Joseph who competed in the junior division, and Kerri-Lynn Nichols who competed in the senior division. Miss Lewis qualified as an alternate for the state competition to be held later on in the spring.

The club recently put together an educational display at Old Hammondtown School which explained the gaits of the horse

It's not too late for '85 and it's not too early for '86!

(Which makes better sense for you?)

Everyone agrees, having an IRA makes sense . . . both for its annual federal tax advantage and for the healthy, long-term retirement benefits it can provide.

For '85, if you can afford it, you can still make a lump-sum payment of up to $2000*, and deduct the full amount from your federally taxable 1985 income . . . anytime until April 15th.

However, with a much smaller amount (as little as $10) you can open a 1986 IRA *now*, with the intent of making additional contributions up to your $2000* maximum as quickly as you can.

There's an advantage in completing your maximum as early as possible because each contribution starts earning interest (and the total begins compounding) immediately. Ideally, if you could get a *whole* year ahead (pay the entire annual contribution January 2nd of the tax year rather than 15½ months later just before the tax for that year is due) you'd soon have a significant advantage. For example, assuming an annual interest rate of 10%, at the end of 20 years, the saver contributing at the *start* of each tax year would have an extra $8.949 . . . not a bad bonus for a little extra planning!

So if you haven't yet opened an IRA, think about it one more time. If you can possibly do it — even if you fall short of the maximum contribution — it's definitely to your advantage to put away as much as you can now, for the federal tax savings and later, for retirement! Any NBIS office will gladly give you details.

success. Participation by the many clubs in the town was great. The following clubs and organizations were represented: Rochester Woman's Club, Tri-Town A.A.R.P., Rochester Council on Aging, Board of Selectmen, 300th Anniversary Committee, Rochester Police Department, Tri-Town Lioness Club, Rochester Historical Society, Alewives Anonymous, Sippican Rod & Gun Club, Girl Scouts, Rochester Republican Town Committee, and the Lions Club.

Harry A. Brown of the Lions Club gave a brief history of the town, starting with the original settlement in 1679. Town history reveals that the original town of Rochester was very much larger than the current area. At one time all of Marion, Mattapoisett and most of Wareham were a part of the township. Mr. Brown read from the 1885-1886 Rochester Town Report that the total cost to operate the town that year was $5,273.52. Of this amount, $2,856.00 was expended for schools. Snow removal costs for the winter of 85/86 was $21.95. Teachers' pay for 8½ months was $32.00. Teacher/student ratio was 30/1. The Support for the Poor total was $1200.00, of which much of this amount was expended feeding 60 tramps.

Everyone present said it should become a yearly affair. The Lions Club wishes to thank all who participated in Good Neighbors Day.

Aging and Dying

For the next three consecutive Thursday evenings - March 6th, 13th and 20th - a three part series will be given at the Mattapoisett Congregational Church beginning at 7:00 each of the three Thursday nights. These discussions are free, non-denominational and open to all.

On the 6th, Sally Osborne, who is affiliated with the Marion Center for Human Services, will be the speaker. Her program will deal with questions of long-term care of the elderly and related family stress, finding a facility, the paperwork involved, and monetary necessities.

On March 13th Meg Pert of St. Luke's Hospice Program will focus on short-term care of the terminally ill, Hospice and other alternative programs.

All three programs will provide for questions and answers, and they can all three be attended, just one or only two. You are welcome at these most informative talks concerning an inevitable subject.

Canal Walk

DCJ

WINTER/SUMMER/SPRING/FALL

No matter what the season the bank road of the Cape Cod Canal is one of the most widely enjoyed recreation facilities in this locale, and it's free to all pedestrians and bicyclists. The canal road is long enough to give the most determined walker and bicyclist a workout, and if one side doesn't do it there is another. The road is peaceful and far from traffic and fumes. The view is ever changing and no matter when you go you probably will meet someone you know. On the north side the road is easily accessible from Scussett Beach.

Letter to the Editor

About 10 years ago, Archbishop Fulton Sheen spoke before the annual conference of National Association of Television Program executives and said, "The four Evangelists, Matthew, Mark, Luke and John, have been replaced by three: NBC, ABC and CBS." He continued saying, "TV does not recognize a moral code, but it does recognize a MONEY CODE -and the decent American public could

close down all pornographic and violent movies on TV in two weeks if they boycotted the products that support the programs."

Since he said those words, obviously these outlets have increased in violence, sexually promiscuous and morally indecent programs. Let us all try (a good idea for Lent) to not only cut these programs off our screens after checking who sponsors them first - and letting those sponsors and TV outlets know why.

TV at times does a great service - my only reason in writing this is hoping we can make their programming more wholesome for all our families - especially our future generations.

Children's Museum

MAPLE SUGARING

March is the month of MAPLE SUGARING at the Children's Museum in Dartmouth. Programs for schools, scouts and Museum visitors include tree identification, tapping the trees, collecting the sap, and boiling it down to make maple syrup. A visit to the Museum's sugar house is a real treat as visitors have a chance to taste the real product.

School programs are available during the week and scout and group programs may be arranged by calling the Museum. Here is an opportunity to experience first-hand the art of maple sugaring.

A variety of items will be available in the museum shop. Included are maple sugar candy, maple syrup, maple cream, taps and hooks for "do-it-yourselfers".

The Maple Sugar Program is free and open to the public and is included with Museum admission. Museum visitors are requested to call the Museum to see if the sap is flowing and boiling is taking place.

The entire month of programs will be celebrated with the Annual Pancake Breakfast on Sunday, April 6th. Hot pancakes and sausage with juice and coffee will be served that morning. For further information call the Museum at 993-3361.

STORYTELLING AT CHILDREN'S MUSEUM

"TALES FOR THE TELLING", a wondrous flight through space, time and the land of "What If", will be presented by Betty Lehrman at the Children's Museum in Dartmouth on Sunday, March 9th, at 2:00 in the afternoon. This performance is being offered free to members of the Museum. Tickets are $1.00 for children and seniors and $1.50 for adults and includes Museum admission.

Designed for audiences ages 4 and up, the 50 minute show includes stories and songs from all over the world. Through mime, music, and participation Betty involves audience in the tales and traditions of other places and times. With charm and wit, audiences of all ages join together and lose themselves in the wonder of story.

Coming to Zeiterion:

OHIO BALLET TO PERFORM

On Saturday, March 8th, at 8:00 p.m. the Zeiterion Theatre in downtown New Bedford will present the OHIO BALLET, Heinz Poll's classical contemporary ballet company, recognized as one of today's leading dance companies in the nation. Tickets are priced at $13.00, $15.00 and $17.00 and are available at the theatre's box office by calling 994-2900.

Founded and directed by Poll, the Ohio Ballet since its inception has performed in 154 cities and 34 states.

The company's Zeiterion program will feature "Concerto Barocco" by George Balanchine, originally performed by American Ballet Caravan in 1941; and "Patterns of Change" by Laura Dean, premiered by the Ohio Ballet in 1985. Three dances by Poll will also be performed. "Summer Night", a smoothly gliding double pas de deux, premiered in 1974; "Light Breeze", an electrifying dance set to an irresistible jazz score by saxophonist David Sanborn, premiered in 1984; and "Summoned Echoes", featuring music by Alexander Scriabin, premiered in October 1985.

The Ohio Ballet is a company with clear artistic focus. The components of dancers, choreography, music, and staging are blended to create a mix with distinctive character and appeal, which results in a unique statement in American dance.

Beginning at 8:00 p.m. this prelude to St. Patrick's Day is sponsored by Entre Computer Center of North Dartmouth. Tickets are priced from $10.00 to $14.00 and are available by calling the box office at 994-2900.

The Clancy Brothers, Pat, Tom and Bobby, have been performing together since they were infants. It has been more than twenty years since the Clancys became Ireland's leading and definitive folk-singing group.

Robbie O'Connell, the youngest member of the group, is a nephew of the Clancy Brothers. Like his uncles, he grew up in Carrick-on-Suir, County Tipperary, Ireland in a household alive with Irish music and tradition.

The Clancy Brothers have made numerous appearances on all the major U.S. talk shows. And you don't have to be Irish or know a thing about its history or heroes to dig the Clancy Brothers.

The Clancy's Zeiterion Theater performance is part of their annual pre-St. Patrick's Day tour that lavishes audiences with the music only they can create. They draw from a repertoire of more than 300 songs, including about 40 in a single performance, that have made these musicians, "...Ireland's gift to the world of folk music".

SAVE MONEY - PLANT SHRUBS

Reduce winter fuel consumption by 10 to 30 percent in buildings protected by vegetative windbreaks. Reduction or elimination of the undesirable effects of strong winds, blowing sand/soil, snow drifts and noise can also be obtained by the planting of trees and shrubs. Trees and shrubs suitable for local planting can be obtained through the Plymouth County Conservation District's Annual Tree and Shrub Sale. To receive an order blank just send a self-addressed business-sized envelope to the Plymouth County Conservation District, 40-48 North Main Street, Middleboro, MA. 02346.

"The Devil, You Say?"

"The Devil, You Say?", a one-man show written and performed by Scott Keely, will be presented by the Southeastern Massachusetts University Cultural Affairs Committee at 7:30 p.m. March 5th in room 153 of the Visual and Performing Arts Building.

Keely, a professional actor for more than ten years, has worked extensively throughout the country, acting, writing and directing for the stage, educational television and radio. In this play he presents a conversation with the Devil, who reluctantly reveals glimpses of his true nature in a provocative and devastating self-portrait.

Tickets are $5. for the general public, $3. for students, and $2. for senior citizens.

THANKSGIVING NOVENA TO ST. JUDE
Oh Holy St. Jude, Apostle & Martyr, great in virtue and rich in miracles, near kinsman of Jesus Christ, faithful intercessor of all who invoke your special patronage in time of need, to you I have recourse from the depth of my heart and humbly beg to whom God has given such great power to come to my assistance. Help me, in my present and urgent petition. In return, I promise to make your name known and cause you to be invoked. Say three Our Fathers, three Hail Marys and Glories for 9 consecutive days. Publication must be promised. St. Jude pray for us all who invoke your aid. Amen. This Novena has never been known to fail. I have had my request granted. Publication promised. M.D.

For the Classic Cruise ...

Classic Versatility
A basic cardigan to compliment everything, everywhere.

Dress it up, down. Toss it over linen, lace. Or slip it over a shirt. This cardigan runs the range of options from romance to sport, but stays feminine. Drapes beautifully, resists wrinkles, and is perfectly packable, machine-washable link-stitch acrylic . . . in a variety of sensational wardrobe-building colors, from Izod Lacoste.

Classic Necessities
Tailored for perfect performance.

Meticulous styling and attention to detail are the hallmark of our basic Lacoste tee-shirts. Made of the highest-quality cotton and cotton/poly knits, these shirts promise comfort and traditional fit for years to come.
